

CALNA

"BE A PART OF YOUR LOCAL MNLA CHAPTER"

CALNA Mission Statement:

We are committed to creating a network of active members for the purpose of enhancing business practices and the public perception of CALNA members and our industry as a whole.

"My time is valuable. Why should I become a member?"

PUBLIC RELATIONS:

CALNA strives to market our industry & members to the public through charity projects, scholarship opportunities and informal gatherings.

NETWORKING: CALNA presents many opportunities for members to network with other leaders in our community. These relationships strengthen your business and the industry as a whole.

PROFESSIONALISM:

Being associated with CALNA means that you are associated with community leaders who are dedicated to professionalism and high ethical standards. Public perception of our industry hinges on our adherence to these standards.

RESOURCE: CALNA is an informal source for your business. Conferences are held periodically, highlighting topics that directly affect the green industry.

EDUCATION:

CALNA members receive updates regarding educational events sponsored by CALNA & MNLA. Member rates for you and your business to stay on top of current technologies.

CAMARADERIE:

Being part of something bigger than yourself can be very satisfying. Enjoy the chance to get to know the people who share similar interests and concerns.
