A MESSAGE FROM CALNA’S PRESIDENT

The Members of the Capital Area Landscape and Nurseryman’s Association proudly present our 2020 Membership Directory.

CALNA’s Members provide a wide variety of goods and services including bulk materials, lawn and landscape services, stone and brick paving / retaining walls, irrigation services, tree services, garden centers and equipment dealers. The many talents of each member are available for your landscaping needs. Our members are dedicated to our profession and promote the development of the Green Industry.

Many CALNA Members have certified professionals on their staff. Licensed Landscape Architects, Certified Arborists and Certified Green Industry Professionals all have numerous years of experience in their field. This Directory and the CALNA website (www.CALNA.org) provide the information necessary to guide you to one of our members. All are dedicated to being Mid-Michigan’s Green Industry Professionals.

CALNA has awarded scholarship money in past years to deserving students in a Horticultural program. This past year, CALNA awarded two Michigan State University students with scholarships to help them with their studies within the Green Industry. Providing scholarships to students in the Green Industry is our legacy and ensures the continuation of our profession and our higher standards.

We also need to thank the members that generously paid to advertise in our Directory. With their support we are able to provide our CALNA Directory to you. Please use the CALNA Directory to help you locate firms for your landscaping needs.

Thank You,

Chris Staszuk - President Capital Area Landscape and Nurseryman’s Association
2019 CALNA BOARD MEMBERS

2003 Shane Locke
2004 Shane Locke
2005-2011 Greg Loftus
2012-2017 Richard G. Von Tersch
The Capital Area Landscape & Nurseryman’s Association (CALNA) was held on Tuesday, September 10, 2019 at Royal Scot Golf Course in Lansing. Golfers had plenty of opportunities to win big with Skins, door prizes, 50/50 and the ever-popular Basket of Cheer Contest.

Our golf outing is our largest fundraiser of the year and the proceeds go to our Scholarship Fund. This money helps students enrolled in Horticulture and Turf Grass programs with books and other expenses.

A big THANK YOU to everyone for making this another successful event for the CALNA Scholarship Fund and a very special THANK YOU goes out to Mid-Michigan Snow Equipment for their additional generous donation to Scholarships.

The Capital Area Landscape & Nurseryman’s Association is pleased to present scholarship awards to the following well-deserving students.

Caleb Walton – Michigan State University; Pursuing a Bachelor of Science Degree in Horticulture with a concentration in Sustainable and Organic Horticulture.

Abby Denning – Michigan State University pursuing a degree in Horticulture with a focus in Landscape Design, Construction & Management.

We congratulate these students for their hard work and wish them the very best in their studies. The CALNA Board of Directors believes that awarding scholarships to students is CALNA’s greatest responsibility to our industry!
